I agree to take pictures of the activities we do together at home

I agree that these can be used for social media and reporting back to funders

I agree to joining in with a Zoom chat at least once a week so that we can chat to others and get help with activities if we need it.

I will need help to understand how to join Zoom

I understand that if I don't pick up my pack at my allocated time it will be offered to someone else for that week.

I would like The Church of England in Wythenshawe to keep my details on record and to let me know of other projects and services run by them or one of their partners in the future

Is there anything else we should know to help you get the most out of the next 6 weeks?
